

Technical Guide

"Migdal Epic Israel"

25-28/9/2019 MTB Stage Race

Epic Israel, a 4-day MTB stage race (Prologue + 3 stages), S1 UCI stage race in teams of 2 riders.

Designated for mountain bike riders that love the hours on the saddle, the spectacular views of nature and challenged by the long routes.

The race routes change from year to year to give the rider a challenging, versatile and balanced route, usually between 75 to 110 km per day and the big challenge is to finish and within the time limit.

The race village, in which the competitors will stay for the 4 days is located in Aqueduct Hotel in the north of Israel, close to Akko.

It has all the facilities for both the basic and luxurious needs of the riders during the 4-day event.

The hotel has 110 rooms to facilitate the riders, a tent area will be built for a different experience and to allow lower costs.

There are also plenty of accommodation options in the area that can offer services for the riders.

The race is Full board; the registration package includes full nutrition support – meals off and on the bike.

Epic Israel is a memorial event for Giora Tsachor who died in an accident during one of his morning rides.

One of Epic Israel goals is to make awareness of road safety and safe riders, doing that by a campaign of "Life at the side of the road".

THE Routes

- The type of race: S1 MTB Stage race
- The route description has been revealed: <https://www.epicisrael.org.il/?section=75>, no GPX file will be given, the route will be fully marked.
