

Technical Guide

" Winner Epic Israel"

17-20/9/2025

MTB Stage Race

Epic Israel, a 4-day MTB stage race (Prologue + 3 stages), S1 UCI stage race in teams of 2 riders.

Designated for mountain bike riders that love the hours on the saddle, the spectacular views of nature and challenged by the long routes.

The race routes change from year to year to give the rider a challenging, versatile and balanced route, usually between 75 to 110 km per day and the big challenge is to finish and within the time limit.

The race village, in which the competitors will stay for the 4 days is located in Nachsholim Hotel in the north of Israel, close to Haifa

It has all the facilities for both the basic and luxurious needs of the riders during the 4-day event.

The hotel has 150 rooms to facilitate the riders of different levels to allow different costs.

There are also plenty of accommodation options in the area that can offer services for the riders.

The race is Full board; the registration package includes full nutrition support – meals off and on the bike.

Epic Israel is a memorial event for Giora Tsachor who died in an accident during one of his morning rides.

One of Epic Israel goals is to make awareness of road safety and safe riders, doing that by a campaign of "Life at the side of the road".

THE Routes

- The type of race: S1 MTB Stage race
- The route description is revealed on July 2025, no GPX file will be given, the route will be fully marked.
- Description and detailed plan of the course indicating marshal location and medical points, will be published to crew members only, commissars and medical staff.
- A map with Location of Parking, Start/Finish, award ceremonies, race office, press conference room, race meeting room, Race village medical area, etc - will be sent to the Riders and published on the website at the middle of September.
 - Type of start: Mass start, except Stage 1 which will be a Time Trial start.
 - 1st stage will have a water point, The 2nd and 3rd stages will have at least 3 feed zones along the route and the 4th stage will have 1 feed zone. Recovery Feed zone will be in the end of all stages.

In case of hot weather water points will be added along the route.

Technical Zones – All outside support is not permitted.

Each team can send a team box and a wheel set to the main Feed Zone of every day (2nd Feed Zone). The boxes will be supplied by the organizers at the registration on Tuesday & Wednesday on 16/9 & 17/9 at the hours of registration

Boxes should be checked-in no later than 17:30 at the information desk\registration on the evening before the stage.

No boxes will be collected in the morning of the stage.

In the 1st and 3rd Feed zone there will be a box with parts for self-service repairs, In the 2nd feed zone will be a technical support with a mechanic of the race.
